Retina Specialists of Michigan
1362 South Point Place, Suite 120
Holland, MI 49423

We would like to take this opportunity to welcome you to our practice. Please complete all enclosed forms and bring them with you to your appointment along with your medical insurance card and a list of your current medications. Retina Specialists of Michigan does not bill vision insurance plans.

Your initial appointment is a complete evaluation and consultation and may take up to 2-3 hours. Both eyes will be dilated. We ask that you please plan accordingly.

If you have a managed care health insurance plan, please verify with your plan that the physician you are scheduled to see in our office is in the plan network; this will help you avoid "out of network" fees. Please contact your primary care physician to initiate prior authorization for your appointment and testing in our office if your plan requires prior authorization. Remember, your health insurance plan is a contract between you and your insurance company. You are responsible for any deductibles, coinsurance and co-payment amounts determined by the type of plan you have chosen.

If you have a deductible and/or co-payment with your insurance plan, this payment is expected at the time of your visit. Private pay patients will be expected to pay \$200 towards their consultation at check-in.

We understand that there may be circumstances and/or changes in your schedule that may prevent you from keeping your appointment. If this situation arises, we ask that you call us at least 24 hours in advance and we will gladly reschedule your appointment. Please be advised that if you miss your scheduled appointment, and do not call us to reschedule or cancel, you will be billed a \$25.00 no show fee.

We look forward to seeing you soon!

Dear patient,

It is the responsibility of every Retina Specialists of Michigan employee (physicians, administration, office staff, research staff, and technicians) to provide care to those suffering from vision threatening medical conditions in a healing and respectful manner. The Retina Specialists of Michigan “family” is composed of people from all walks of life. Likewise, our medical practice provides care to people from all walks of life, regardless of socioeconomic status, religion, sexual orientation, or race. We strive to treat every one of our patients with the utmost respect, and we expect our patients to reciprocate the same courtesy towards our staff and other patients.

We strongly feel all people deserve equal respect and rights; therefore, we will fairly investigate complaints from staff or patients regarding insensitive behavior, and take appropriate measures when necessary. We trust our patients will respect our beliefs and hope all who enter our practice feel welcomed.

Sincerely,
